

Boy Back

Young Thug

Mustard on the beat, ho

Got rackity-rack-rack-racks in my knapity-sack-sack-sack (Racks)
Ever since Tap-Tap-Tap, I feel like the brown boy back-back-back (I'm back)
Prada shoes with the strap, in every color, I'm proud of that (Proud of that
)
All they see is success but they don't know where I started at
I can't take no days off, I got money I gotta get (No)
Hit the gas and I take off, pipes be cracklin' when I shift (Skrtrt)
It's clear as you can see, got a big bankroll on me
Got a coupe, got power seats
Three months before release

Tattoos all on my sleeve (Yeah)
Got a nigga old girl on knees (Yeah)
I spent a hundred thousand dollars on trees (Yeah)
I spent a whole 'nother hundred on tees
She got her all down on her knees
Now I call her Maybelline (Okay)
I got a cougar bitch in my driveway
Tryna make a nigga pay her lease (Swear)
Trap, trappin', trappin'
Whole lotta birds and bricks I keyed up
Walk, walk, go
I've been sippin' on lean, I'm serious
I was never trappin', I was tryna rob him and his dealer
Never goin' back, switchin' my shit like Ron Artest
(Switch it up)
Rackity-rack-rack-racks, throwin' off the Maybach hatch-hatch-hatch
I've been on set-set-set
Throwin' down the field, no crack back-back-back
Ran with my set-set-set
Duck tape the patch-patch-patch
Straight on the horse on the Cadillac (Walk)

Rackin' up Krispy Cream, every day I wear crispy tee
I know you ain't gettin' no cheese
Ya shoe tongue ain't got no C's
All my diamonds cold, I'm freeze
Got designer A-Z
I know B's and I know C's, make your bitch fall in love with a G
Now I don't wanna wear no J's
Pointers in the Cartier's on my face
Stackin' up for my future, came up livin' day to day
Should I buy a new watch? I just made a hunnid racks today
Gucci my tube socks, I got a different pair for every day

I can't get no sleep, I got some habits I gotta kick
I been drippin' all week, minimum three thousand on my fit
When you work for boss like me, there's lots a advantages
In my wildest dreams, I don't think that I could imagine this
