

## Day Before

Young Thug

Yeah

Ayy

Listen

S-N-double-O-P, I'm a dizzog

Shit, he was talking brazy, I ain't lie, I knocked the nigga of  
f

I ain't tryna give him a chance to kill me or take the stand on  
me

He know I just had a hundred thousand Ps Saran'd on me

I had to hand out all the rooms so she can't say I molested

I tried to take back all the watches, rings, and the necklaces

She said I'm takin' full advantage 'cause I'm never stressin'

'Cause I had feelings for this girl that barely owned a residen  
ce

Don't get me wrong 'cause it ain't nothing 'bout they money, ni  
gga

I meant to tell you, since a kid, I been gettin' my own figures  
I was bringin' in the racks and she was steady shopping

I'm talking big bills, all colors, nigga, Monopoly

I ain't trippin', bitch, I'm sharper than a damn machete

Super different, I even stood out on my own partners

Since a kid, I been a dresser, Thousand Island

I was shittin', my diamonds green, pissy porta-potty, woah

Yeah

Bitch talk to me while I'm sleepin', yeah, yeah

Swimmin' in the linen like deep-end, yeah, yeah

All I ever needed was a alibi, yeah, yeah

I don't need a motherfucking reason, yeah

Out of mind, so I keep a pizzy

Everything a hundred, I don't ever leave a fifty, yeah

Did my own half-time, if I was simple

What the fuck you think I'm rich for?

Why you think I'm always talking shit with my hand on my dick?

In the crib, these bitches turned it to a strip show

It's what it is, though

Yeah, yeah, it's what it is, though, yeah, woah

Leave me alone, take your ass home

If it ain't another million, I ain't pickin' up the phone

Phony motherfuckers always sittin' on a throne

All I want's some pussy, baby, give a dog a bone, yeah, yeah

I don't need a lot, but I got a lot

I don't need a lot, but I got a lot, yeah

Two hundred for the whip in the parking lot

Everything cuttin', turn this shit into a barbershop
