Boot me up, boot me up

I can't trust a falcon

I can't trust a chicken so just

Boot me up, boot me up

Watch a nigga go crazy

She watching me go crazy

Goddamn take these drugs from me

Goddamn take away this ache, I-I meant that Act

Goddamn girl have my back

Even though my money taller than Shaq

Even though we just left Old Nat's

Lil' baby just walked in on me

Lotta snakes they walkin' in on me

Big banks not out the end homie

Got a bad bitch and she want me

Take the molly away, I can't listen

I won't show it, but the drank got me slippin'

Perc's made me beat on her, no whippin'

But the molly make me shine like P. Diddy

I been... geeked out my mind since I was

Like 14 years old

I know she the best, I trained the bitch to go

And wipe a lil' nigga nose

Girl you know I...

Love you a lifetime

I can't tell you "Bye", but

You tell me "Bye" all the time

I can't trust these bitches

I can't trust these niggas

Boot me up, boot me up

I can't trust a falcon

I can't trust a chicken so just

Boot me up, boot me up

I'm a nigga goin crazy

Watch a nigga go crazy

She watching me go crazy

Watch a nigga go crazy

She watch a nigga go crazy

Watch a nigga go crazy
