Sk808, nigga

Baby, come over and put it on me
You got good head like you got a degree
Don't have no type, but I like what I see
Just hit my phone, I'm on the way
Float like a butterfly, sting like a bee
Me and you know that I got what you need
Stay down for me, like you never gon' leave
I've been waiting all my life
For you to get this right
Yeah, you do the shit I like
Yeah, you do the shit I like
You been on my mind
Now I'm tryna make you mine
Yeah, you do the shit I like
Yeah, you do the shit I like (Hm)

You're my type (You're my type)
Catch this vibe (Catch this vibe)
You and I (You and I)
On an island, yeah
Ride or die
Pick a side (Hm)
Make you mine (Hm)
Don't ever lie, yeah, yeah
Bad bitch with a bankroll (Oh yeah)
Get a bag and I lay low (Oh yeah)
Gotta do what I say so (Oh yeah)
He gon' do what I say so (Oh yeah)
Headfirst, might drown (Oh yeah)
Double up, need another round (Uh-uh)
Oh yeah, you know I get down
Oh yeah, you know I don't play around, yeah, yeah
If I call, know you gon' slide
He pull up in a foreign ride
Uh, let me know, when you outside
Uh, I'm his bust-it baby like Plies

Baby, come over and put it on me
You got good head like you got a degree
Don't have no type, but I like what I see
Just hit my phone, I'm on the way
Float like a butterfly, sting like a bee
Me and you know that I got what you need
Stay down for me, like you never gon' leave
I've been waiting all my life
For you to get this right
Yeah, you do the shit I like
Yeah, you do the shit I like
You been on my mind
Now I'm tryna make you mine
Yeah, you do the shit I like
Yeah, you do the shit I like

Fuck him again, and over again

I'm gon' do it again in the morning
You touching my body right there like a Masi'
Then I yell your name like a siren
He tell me he love me, the pussy is solid
Now he tryna fuck on an island
He beat it legit like a boxer
He say it taste just like water
I love when you put it on me
I love when you put it on me
He fell in love with a freak, uh
Pussy gon' put him to sleep, uh
We gon' wake up and do it again
I hate every time that you leave
You know we're better together
Them other bitches don't matter
You know that pussy get wetter

Baby, come over and put it on me
You got good head like you got a degree
Don't have no type, but I like what I see
Just hit my phone, I'm on the way
Float like a butterfly, sting like a bee
Me and you know that I got what you need

Yeah, you do the shit I like
Yeah, you do the shit I like
You been on my mind
Now I'm tryna make you mine
Yeah, you do the shit I like
Yeah, you do the shit I like

Mhm, you're my type
Catch this vibe
You and I
Me and you
Bad bitch with a bankroll, oh yeah
Oh yeah
Oh yeah
