

# Icy Hot

Young Thug

Wheezy outta here

She say I'm high as fuck, I said, "I'm icy hot" (Icy hot)  
Got a show in the 504, I wore a bunch of rocks  
I got her tummy tucked before she let me fuck  
I keep her in a box, she wanna spend my bucks  
She said I'm fire as fuck, I said, "I'm icy hot"  
I said, "I'm icy hot," I said, "I'm icy hot"  
She wanna land a punch, my pocket on croissants  
I call lil' mama a thot, she call me icy hot

First of all, I've been in the trap for a lifetime  
Fuck a Dawn, I've been spinnin' black just like nighttime  
Above the law, I'm a motherfuckin' outlaw  
Fendi scarves, Louis Vuitton on my cyclone, huh  
You walk up, get wet up again  
You want me to get fed up again  
But I don't let up again  
This fool better catch up, it's time to get wet up  
Now I never sweat up again  
I ain't never let up again  
Is you a bad bitch in a Mercedes? (Hey)  
Is you a bad bitch in a Mercedes? (Hey)  
They tried to burn the coupe and I'ma trade it (They tried to)  
My niggas into swoopin', they gon' make it (They into swoopin')  
They tried to kick me out, now it's disabled  
I whip that Rolls-Royce like I'm a sailor (Whip that Rolls-Royce)  
I count up so much, I bleed from paper  
I keep the fan and glizzy by my neighbor (At all times)  
Yeah, yeah, yeah, yeah, yeah

He give me stove top, he go hibachi bar  
He give me boba cup, threw my Hitachi out  
He lick my 'nani, ah, he call it cherry pie  
He said my tiger bomb, gave him that icy hot  
I run shit, I'm lieutenant, I'll fly you to L.A.  
My jet look like the Jetsons, it's 2020, ayy  
I feel like Abu Dhabi, I said, "Let's summer there"  
He said I'm wifey type, he threw dick like bouquet  
He call me Doja Rat, I chewed through all his cheese  
That's just the fifty carat, that's just a hundred Gs  
Freezer and brand new tap, no plumber for the leak  
I wouldn't wish this heat on all my enemies

High as fuck  
Icy hot, oh  
Mm-mm, told 'em  
Let me fuck, in the box  
Yeah-ee, fire as fuck  
Icy hot, icy hot  
Yeah-ee, uh-uh  
Yeah, yeah, yeah, icy hot
