

Oouu

Young Thug

All of these diamonds, see me robbin' if he reppin' on me, ayy
I did the C walk, ayy

Like ooh-ooh

I treat it right, I beat it up, that's right, she say she love me (woo-ooh)
I can't decide if I wan' buss it on her eye or coochie (woo-ooh)
Beat to the right, read to the right (woo-ooh)
Beat it left and right, I'm 'bout to beat it left and right (hmm)
Big body Benz, beat it up, beat it up, beat it, beat it up, up (hmm)
I see the jealousy inside all your friends
They wanna be us, be us (woo-ooh)
Told you mama kick back and put your feet up
Come and put your feet up (woo-ooh)
Yeah, we gon' go and feast up, everybody with me feast up

Slow roll, roll from the side then I left right beat it, yeah
Even when I beat it from the front
I still see them cheeks, yeah (fat ass)
Everything you do, you say, is so unique, yeah (yeah)
Silky drawers and they match the sheets, yeah (yeah)
I wanna know what you thinkin' every time you think it
Every time your attitude stank
I just wanna know what you drink
Cut long loud, no gas tank
Bend you over girl, turn to the smash game

Yeah, we gon' go and feast up, everybody with me feast up

Hoo, everybody with me feast up
Hoo, everybody straight, no leeches
Hoo, in your sheets jeepy creepers
Dunkin' in that bra like I'm LeBron
Nigga, leapin', leapin', leapin', inside you
Nigga, creep, creep, creepin', right around two
I wanna fuck you on the bleachers, when we were in school
Nigga, been dream, dreamin' of fuckin' on you
I beat it 'til she don't want no more (she don't want no more)
When she say stop, you gotta go slow (then you just gotta go slow)
And I'm in that water like a tadpole (tadpole)
Started seein' white stuff, call it egg yolk (uh-uh)
And she say it's big, but she not scared though (scared though)
And I pull her wig on the back bow (back bow)
And I got the stick by the back door (hey)
And I'm 'bout to stuff it through her backbone
