Young Thug

Woah

How the fuck you out here goin' tit for tat? (Tit for tat)
I should've saw the signs, how could I miss that? (How could I miss that?)
Ayy, soon as I'm fresh out the box like a tic-tac
We havin' sex soon as I get my bitch back
It ain't gon' be sexy when I get my lick back
I'm about to mop up some boys, it's custodian time
Me and my thoughts, it's the loneliest time
Don't tell me 'bout loyalty, show me this time
Don't tell me 'bout loyalty, show me this time
Business is business, you owe me this time
Slime on your head, Nickelodeon time

Oh, woah
Parade on Bleveland soon as I get home
I'm comin' home
I'm comin' home
All the lows, all the lifers
All the bright burns, all the lifers
Ayy, Parade on Bleveland soon as I get home
You already know, you already know
