You's a pussy nigga, you's a pussy (Southside)
You's a pussy nigga, you's a, you's a pussy (Pyrex whipper)
Let her suck all on your neck, you's a big pussy
You didn't really get her wet, 'cause you're big pussy
Nigga shootin' a jammin' TEC, 'cause you're big pussy
You'll get fingered with a clip, you's a big pussy
Let a nigga snatch your necklace, you're big pussy
I rock all water baguettes on you big pussies

Whenever I ride, they notice me
She gave her throat to me

She breakin' your code with me
I bought her the rose gold rosary
Jump in the back, this is a bullet proof 'Lac
500 racks, baby said, "Don't get fat"
Extra racks, what I charge 'em to cook up is crack
Who been in the sack? 'Bout to set up a lil' mouse trap
