

Take It

Young Thug

Yay, Yay Stop playing I really don't like this beat Dk like this beat
So I'm on here full blooded you know what I'm talking bout
Loyal to the love nigga...

Where you at blood they going take it
One seven seven watch me take it
Pull up on you with the shit I ain't waving
Charge nigga wit a sack just to erase em
Let that chopper sing to em like Pandora
And I hope you got insurance on ya daughter
I be taking off in the city they won't my lawyer
You know when everybody shine they want yo brothers

You bitches wanna fuck me yes indeed
Wodie wodie dancing hundred bands inside my jeans
Kill some water then I'll never let em flash yo knees (Boss)
YSL slim bones creeking like the dean
Show me to lil daddy get a pound red loafers
If she suck it good we might dill just like kosher
Everybody giving shit away like we the oprah
And you I'm bout that bread DK run the toaster
100 bands inside of my ears
Let yo bitch run around me like she a deer
Got a red backpack full of presents
When I text her back she smile in a Even tho I killed a pussy nigga I hope h
e go to heaven
Yo old ladie is hot, she hot, she hot like the fuckin 9/11

Where you at blood they going take it
One seven seven watch me take it
Pull up on you with the shit I ain't waving
Charge nigga wit a sack just to erase em
Let that chopper sing to em like Pandora
And I hope you got insurance on ya daughter
I be taking off in the city they won't my lawyer
You know when everybody shine they won't yo brothers

If I fall for her I spend bands on her wardrobe
Real big ol blood I won't 5 just like flacco
I don't give a fuuuck she can pull up in yo waldo
She goin suck and fuck only thing I buy moscato
Get lil mama drunk she a fuck a elephant trunk
She going suck him why she beat you
I just call lil mama trunk
Got a bitch that look like new new
When she beat me we do Snork that line on the table
I look crazy I look cuckoo
You try to rob boy it's not going happen
I know bitches that were roots and they not wit nappy
Smokin fruit, I'm to loose, What the fuck brackin
Choppers ringing niggas be like what the fuck clapping (Me Bitch)

Where you at blood they going take it
One seven seven watch me take it
Pull up on you with the shit I ain't waving
Charge nigga wit a sack just to erase em
Let that chopper sing to em like Pandora

And I hope you got insurance on ya daughter
I be taking off in the city they won't my lawyer
You know when everybody shine they won't yo brothers
