

Tell Me If You Need It

Young Thug

No one's in your way
Tell me if you need it
I wanna roll, 'till the wheels fall off me
Wheezy outta here
Yeah

Told you not to fall in love with me (Yeah)
I shouldn't acted like I love you (Yeah)
I was in the 'Ghini, I let the doors up (Yeah)
Chop the top off and I roll up (Yeah)
I'ma change my name to slime Sosa (Yeah)
Prove that you Haitian, do the salsa (Yeah)
Smoke hella trees, like a stoner (Yeah)
Green diamonds when you at the swamp (Yeah)

You should tell me if you need it (Yeah)
Tell me if you need it (Yeah)
Tell me if you need it
Ohh, ohh
Tell me if you need it, it, it, it, it
Tell me if you need it, it, it, it, it
I wanna know what makes you happy, baby
Tell me if you need it, need it

Bought you sevens and dodged it
Chase that bag, like Sonic
I'ma caress your body
You gon' need a new alignment
'Bout to get your crew poppin', yeah
Turn you up, you a two, top ten
Versace rag, yeah
Drip at the maximum
Playin' at the Mayard gym
Cops ain't harassin' him
You said you ready this minute
Trip you down, leave in a minute
I make this ninety off the brick
Cover me in, I'ma trend
Nothin' less than a hunnid racks on me
'Cause I came from lint
Most of your hoes and your homies
Be ready to snitch (Yeah)

Told you not to fall in love with me (Yeah)
I shouldn't acted like I love you (Yeah)
I was in the 'Ghini, I let the doors up (Yeah)
Chop the top off and I roll up (Yeah)
I'ma change my name to slime Sosa (Yeah)
Prove that you Haitian, do the salsa (Yeah)
Smoke hella trees, like a stoner (Yeah)
Green diamonds when you at the swamp (Yeah)
Wheezy outta here

You should tell me if you need it (Yeah)
