### YoungBoy Never Broke Again

In this bitch, this lil' Top tho

Three-sixty, I'm with it, she eat it, I lick it  
Movin' fast, I'm on her ass  
Okay, I get it  
Grab her hair, she throw it back, I'm hittin' it, givin' her the business  
Murder scene, I stick two up her body, know I had to kill it  
I'm with it, ain't finished, let's get it, ooh  
I grip her body, make sure I got it  
Hold on, I ain't through  
Can't figure what you do to me, know what I'ma do to you  
Say she can't get enough of me, say "I can't get enough too-hoo, hoo"  
Now turn around, I beat it down, she say she wan' go some rounds  
I ask "How many?" She say "Two-hoo, hoo"  
I keep her 'round  
I asked her can she bring some friends?  
Smoke out the pound  
She asked "How many?" I say "Two"

Say she like it, ooh, ooh  
Then I start to hittin' it bad  
She get on top, she milly rock, I vision lots amounts of cash  
Swim in her waist but it's okay  
Tryna give a lots amounts of ass  
Shoot on her face, I did that bad  
She say "Bad, bad"

Steady run away and I don't like it  
I just wanna hit it up on my own way, so please don't fight it  
How many? I say "Two"  
Want expedition with yo' friend and you  
Hope you with it and not trippin' on me like you way too cool

Three-sixty, I'm with it, she eat it, I lick it

I'm thuggin' and she love it, never wit' the fussin'  
I got two in here at once, I hope that they don't go to scufflin'  
She wan' two, she don't want one  
Don't got no rubber, I'm in trouble  
But got four, not two, I'm clutchin'  
She just waitin' on me to fuck her  
Like Hugh Hefner, this a house of business

So don't bring no problems  
Taking pictures, better not let me find out 'bout it  
Give you my location, I'm gon drop 'em then I pop ya  
You my lil' baby, that's your sister, hope you got it  
I want two, I don't know about you

Three-sixty, I'm with it, she eat it, I lick it
