

BBL

YoungBoy Never Broke Again

(Uzoma, come here)

Fuck on that ho and came back on her

Fuck on that ho and I-, yeah

(Chill, Hint)

I fuck on that hoe and came back on her
It look like she went got a new BBL
I'm like you done went got a lil ass on you
Doctor did good shit I can't even tell
I'm the only one wrao this pack in the mail
Had to make something for the gangsta bitches
Never by myself got the banger with me
Hating ass niggas man I hate them niggas

It's baby bitch say that shit two times
Baby baby he acting brand new now baby baby
Had to shake him he got back his juice now
Now you double back new you were coming back
Got the shit in my house that connect the guest house to the house part
The Rolls Royce in front of that
I come to fuck up the game if a nigga drop now settle down niggas think he a
in't coming back
Somebody must of told you wrong
Come through popping on a whole new song
Yeah bitch
Pussy nigga must think they lit
Tell they put us in this bitch and cut the protocols on
Hating ass niggas still gone die
Keep waiting in the line bitch it won't be long no no
Rap niggas talk big boy shit but when I'm in the room they control they tone
I'll set it off on these niggas they know it too
Long Live G if it's play he gone go with you
You know yo lil brother gone blow that
That's my gangster bitch she from the Westside
Many men bitch I need me a vest
You gone need more than that how we step out
I spend every dollar I got til a nigga get dropped
Take his ass out the game nigga checked out
You the type of fuck nigga switch up when you don't get attention lil bitch
feeling left out
I could be the lil dog in the room I'ma walk in that bitch my chin up with m
y chest out
Honestly all these rap niggas hoe music don't got no bop in it back on they
neck now
Going Birdman I need my respect now
Gotta bitch that look like Left Eye

I fuck on that hoe and came back on her
It look like she went got a new BBL
I'm like you done went got a lil ass on you
Doctor did good shit I can't even tell
I'm the only one wrao this pack in the mail
Had to make something for the gangsta bitches
Never by myself got the banger with me
Hating ass niggas man I hate them niggas

Fully loaded whip I'm back on my bullshit

And this bitch fully loaded FN clip
Turn that block until two shooters come out spinning back to back til they f
inish em
Shawty driving while we in a widebody
In a spot where they gone drop off them bodies
She gone leave on commercial come back in a private
I know that she got it gotta make sure she carry
Dead in the kitchen she cleaning the bowls
Who serving the boat we used to selling them bows
Brodie gone trap while I'm confined at home
House arrest from me toting that fire on the road
No for a fact she ain't breaking the code
Everything she don't know
If they kick in that door she won't open her mouth
I surprise her the backing the lamb out the truck and the baddest outside
At my grandmother house where my mom and them grew
I'm sick got the flu I done turned up on boo
With that stick I'ma shoot I don't play with them fools
Fill that neck with them diamonds lil shawty the truth
In her purse with the blick smoking one I'ma hit
He only got 8 better come with the two
My lil youngin take quarters he don't give a shit
If he can't add it up he gone sell it to you
Sign her name for that car she buy it for you
Shawty stay with the shit and she down for the crew
She picking it up and I'm popping on her
On that gangsta shit come slang that iron for you
Stealing polos and t-shirts up out of the mall
Ain't nothing like Omar send that wire for you
Vacuum seals baking soda this home improvement she bring the [?] by two

I fuck on that hoe and came back on her
It look like she went got a new BBL
I'm like you done went got a lil ass on you
Doctor did good shit I can't even tell
I'm the only one wrao this pack in the mail
Had to make something for the gangsta bitches
Never by myself got the banger with me
Hating ass niggas man I hate them niggas
