

# Broken Hearted

## YoungBoy Never Broke Again

My life so deep that I might cry in this bitch  
Slinging iron through that bitch  
(Relly Made)  
Ayy, I just know you don't love me  
(Goddamn, BJ with another)  
I just know you using me  
It's all about being alone at the end of the day  
That's what I won't settle for

I ain't posted up on grandpa porch in a lil' while  
Like, fuck that money, I miss my show to see you smile  
Xans got me blurry, I can't see, yeah  
I need your love and please don't leave, yeah  
I'ma rock out for my bro, I ain't got no choice but die  
Never once they told me no, I ain't got no choice but slide  
My heart tired, you can see it in my eyes  
I'm so slime, I don't know nothin' but conniving

Can you see? Yeah  
I don't wanna have to have no broken heart no more  
I wanna stop the killing, my intentions say no  
I wanna stop hurting these women, no more leading them on

I don't understand this feeling in my heart, no  
My pain, it been holding on  
I take all these pills to calm down, they still say I'm wrong  
Fuck that, I don't want 'em round  
I just wanna be left alone  
These niggas ever run me down  
Hop out and I blow my pole  
For the Lord, I don't know what it take and I don't understand  
I been doing all of this shit, tryna become a man  
Say that they ain't need me for a thing, but still hold out they hand  
I hide my feelings with these chains, all these diamonds dance  
Bitch, you gotta understand that I can die today  
Your tongue powerful, when you tell me leave, better watch what you say  
I got some shit I gotta pay for, but I'm a thug, I ain't ashamed  
I done put half they clique up, so bitch, what up? Let's let it bang

Can you see? Yeah  
I don't wanna have to have no broken heart no more  
I wanna stop the killing, my intentions say no  
I wanna stop hurting these women, no more leading them on  
Can you see? Yeah (Can you see? Yeah)  
I don't wanna have to have no broken heart no more  
I wanna stop the killing, my intentions say no  
I wanna stop hurting these women, no more leading them on

Oh, yeah, slatt  
Free Choppa Boy  
I'm in this bitch right now, I can't  
My voice messed up, I been smokin' these joes  
How you been doin' though?  
I'm good  
I been on that same shit, man  
I ain't really fucked up 'bout nothin'

Can you see? Yeah

I don't wanna have to have no broken heart no more

I wanna stop the killing, my intentions say no

I wanna stop hurting these women, no more leading them on

Can you see? Yeah

I don't wanna have to have no broken heart no more

I wanna stop the killing, my intentions say no

I wanna stop hurting these women, no more leading them on
