

## Footstep

### YoungBoy Never Broke Again

(Dubba-AA flex)  
(Louie Bandz made another one)  
I feel, I feel like a different person  
This is the sound

I ain't been recording but I'm still going crazy  
Leaning got me lazy, but I'm still on apeshit  
I turn up soon as I wake up, I say "Amen" with my baby  
Not racist, my new ho come from coast-to-coast, Iranian

Draco come from Pakistan  
f\*ck that shore, say sell that sand  
We gon' ride down slow and blow that man  
Keep Bs on me, that's Taliban  
She just want a footstep (Okay)  
Shoot it soon they come right in  
She just wanna sleep here  
I just wan' beat her back in  
I'm dressed down in Chrome hearts  
I'ma rock out soon as my song start  
These hoes be loving me  
Probably buy that bitch a gold heart  
Top say, "If he go that way, we gon' stretch that boy"  
Hol' on, swing that Drac', aim straight at his face  
We gon' take that card

I ain't been recording but I'm still going crazy  
Leaning got me lazy, but I'm still on apeshit  
I turn up soon as I wake up, I say "Amen" with my baby  
Not racist, my new ho come from coast-to-coast, Iranian

Got my flag on me

Money on my head so I be walking with my gat on me  
Just like WWE, I walk 'round with that masterpiece  
Load up, we gon' clear they street, we leave shit dead, that's on Big B  
Mama, I'm gon' leave these niggas dead as long as they in reach  
New chopshop, Stolos right on my block  
Youngboy leave out handkerchief, blood get spilled for f\*cking cops  
Now come inside, that's when you to run into Top  
Spin the Benz for to get the kill, fifty-round, that's that f\*cking mop  
Let thirteen up out that chop, stretch 'em that don't f\*ck up my heat  
They get set aside, blow that shit ain't got no knowledge (Boom boom)  
Top back in New York, hoodie on just like I'm Highbridge  
Up that blick and I spark, send that boy life with some mileage

I ain't been recording but I'm still going crazy  
Leaning got me lazy, but I'm still on apeshit  
I turn up soon as I wake up, I say "Amen" with my baby  
Not racist, my new ho come from coast-to-coast, Iranian

She just want a footstep  
Shoot it soon they come right in  
She just wanna sleep here  
I just wan' beat her back in  
New chopshop, Stolos right on my block
