But she just mad 'cause she sad with no fuckin' cash (bitch)  
I got no cash and she mad 'cause she fuckin' sad (let's go)

Slim chick, big ol' titties like she Tokyo  
When we flyin' out of state, they'll make it a show  
What I tell a nigga when he say he want smoke  
Yeah we and x-ing though, I walk the pounds out the store

Brick talkin' on the job, short with some old niggas  
Fo' nigga, four fifty bands with a cold  
Convicted felon posted in the Nawf with a dirty clip  
Do that time, he ain't got no mind, quick to show a nigga  
They said I mastermind the game, they tryna burn me out  
Bullshit to that lil nigga that they talk about  
Benz [?] Benz truck, I'm whippin' out  
I could see they never thought we make bitches change their thoughts  
With my lil muslim, man we pullin' up at any store  
Bitch you must be crazy, I, YoungBoy walk on any hoe  
Man you get blues, I work their bitches like a telephone  
I'm not from Iran, that bitch goes bang, I'ma let it blow  
Make her touch her legs, one pull up on me, other, head  
My bitch right here, can't speak on that, I know I do that bad

But she just mad 'cause she sad with no fuckin' cash (cash)  
I got no cash and she mad 'cause she fuckin' sad (fuckin' sad)

Slim chick, big ol' titties like she Tokyo (Jets)  
When we flyin' out of state, they'll make it a show (bet)
