YoungBoy Never Broke Again

When I think about it yeah I schem about it  
Gotta be about it ion't dream about it  
Gotta keep moving I ain't never stoppin'  
It's so many ppl who behind me  
Goin hard yeah I'm steady grindin'  
Full of pain but I'm steady shinning  
I want this shit bad no I ain't lying  
Do anything for it no I ain't lying  
I been doin this shit for a minute  
Forever goin in til I get it  
Not wasting my time with all these bitches  
Gotta stay on my grind get to them riches  
Time is money I ain't wasting time  
I'm feelin like Kobe I'm in my prime  
I swear I been hurt yeah too many times  
No I ain't got time for all them lies

Keep a gun but I don't promote violence  
Not wasting my money on dancers  
Pray for my auntie just cause she got cancer
