

It Ain't Over (Interlude)

YoungBoy Never Broke Again

(Pipe that shit up, TnT)
(Dmac on the fucking track)
My name Kentrell "Top" Gaulden

It ain't over (It ain't over), 'til I say we done ('Til I say we done)
I say that my money, my pain, it don't make me no better
They know you're the one

Turnin' it on one, I smoke two for my ten for my night (Gone)
Makin' sure these niggas that count up all these M's, that's what I'm on
I got death inside my styrofoam (My styrofoam)
I pour numbers inside my cup and get the dial tone
But I can't snooze long

Chasin' money, I ain't chasin' your bullshit
I'ma take the steppin' to a whole 'nother level
I can tell you I ain't the one you wan' do
You done ran off, buy a whole 'nother Bezel
We ain't never makin' up, you done ruined it
Still reminiscin' what you told me
Coverin' up my feelings with the codeine
Send the collect calls from the North please

And I say it ain't over, 'til I say we done
Tell 'em pull up, they know I ain't never run (They know I ain't never run)
They know I ain't scared of them
Sayin' don't fall for my problems
Safe prayers for all my partners and 'dem
I'm gon' go buy beaucoup choppers
Play fairs for the take care

It ain't over, 'til I say we done ('Til I say we done)
I say that my money, my pain, it don't make me no better
They know you're the one (They know you're the one)

And I say it ain't over 'til I say we done (I say we done)
I'm tryna take it to ten
Do whatever that it take for the win
I'm gon' take the fall for my problems
Safe prayers for all my partners and 'dem
They locked in the pen
Every day, I get up, get it in
Turn it up, one knots for ten

Turnin' it on one, I smoke two for my ten for my night (Gone)
Makin' sure these niggas that count up all these M's, that's what I'm on
I got death inside my styrofoam (My styrofoam)
