Right now I'm up and focused, this a Plain Jane Rollie  
This Maybach my trophy  
Legendary like Kobe  
I want her, she bogus  
She leave me, no notice  
They gon' never understand me, what my mama told me

So, I won't never show no love (Uh-uh-uh)  
Know I can't get weak for somethin'  
I'm leavin' once it's done  
Puttin' nothin' but ganja in my lungs  
I'm tryna heal my pain, I just got crossed and it burns  
I lost my love but it's okay though  
Cause I feel good  
Shawty stickin' on my side  
Yeah, right as she should  
Tryna keep my head up, yeah  
Tryna go somewhere where the blood don't do no shedding  
Hold on, kick it, rich bitch on Sunset  
Probably on her sixth Benz  
Who speak? I just say, "Hi," to 'em  
Probably wonderin' how I been  
Wake up and dress myself, don't need no stylist (No, no)  
I'mma bring this shit out, if I wear it, I fit it  
Polo trunks can't fit these riches  
We can go all night got too many bitches  
I ain't worried 'bout that, probably stressed 'bout business  
Got my gun on sight in a Benihana kitchen  
I don't even eat this, Ben came here fishin'  
From the Nawf to my house with a pool, he living  
On the Dro all night, she gon' stand up limpin'  
See my drink, I ain't leavin' I'ma still keep sippin'  
She a target, ain't want her, I'ma steady keep missin'
