# Kickstand

**YoungBoy Never Broke Again**

(Pipe that shit up, TnT)
On drugs, been leaning
Believe it
What about you, OG?

I can't go no more, charge me up so I'll go again
I say ride, we go, on round fourth, three rounds in
Gotta motivate my bro, yeah, in the cut like me and my twin
Look back soon as it's in, yeah, never gon' lose, I'ma show you how t
o win

Gambled on lean, but I got her on gin
Too much of that and she went to the Henn'
Too big of a sack for the bitch to get off, can't take her off track,
 get the bitch caught in

Kickstand in my drank bottle, no pass she need for admins
All bag, no pad, ain't no pen
Nothing but money in her lens
I can't go no more, charge me up so I'll go again
I say ride, we go, on round fourth, three rounds in
Gotta motivate my bro, yeah, in the cut like me and my twin
Look back soon as it's in, yeah, never gon' lose, I'ma show you how t
o win

Know what you wanna do, why you hitting that bottle?
All these drugs gon' clear my problems
All these sticks gon' fix that static
Counting that money, getting more and more higher
All these drugs, I ain't a supplier
We gotta do well, you can't cop it
Swag can't copy, nigga, just stop it
Shawty real bad, tryna make her my bitch
I know that you toxic, don't try and fuckin' hide it
Question me bad, wanna know where I went
You say I'm accusing when ask where you been
When you get a gift, you ain't asking what I spent
Take off my mask and put on some fly shit
I'm causing a wave, these niggas wanna ride it
Drank clearing the pain I'm feeling in my body
My jewelry and cars is all exotic

Kickstand in my drank bottle, no pass she need for admins
All bag, no pad, ain't no pen
Nothing but money in her lens
I can't go no more, charge me up so I'll go again
I say ride, we go, on round fourth, three rounds in
Gotta motivate my bro, yeah, in the cut like me and my twin
Look back soon as it's in, yeah, never gon' lose, I'ma show you how t
o win
