

Live On Da Edge

YoungBoy Never Broke Again

(Cash Money AP)

I'm extremely calm
I'm extremely calm, uh uh

Smoking on the big pack bih got kick wasn't there (kick wasn't there, let's go)
Bitch throwing up the gang with a big flag she ain't even in (she ain't even in)
All nigga get back all where ya bitch at shooting out the Benz (shooting out the Benz)
Just got money from a big check, I ain't even spend that, I ain't even worry ing (I ain't even worrying)
And he wanna be like them boys who shining so hard them niggas be killing sh it (huh)
And he wanna be like them hoes he leaving them jokes them niggas ain't seein g it (nah)
This shit that I'm speaking, so up, and these niggas, ain't upping these nig gas, ain't hearing me (nah)
Everybody around me they live on da edge, I ain't trusting nobody so kill me now (now)

Hold up, everybody with a nigga frozed up
Big 4 5 nigga bros up (huh slat)
You can't never put a g down real nigga never put a hoe up (nah uh uh)
Up the tec everybody lay down if a nigga play around like he know us
Feel like Michael forever in charge
Every day I go hard he get hit with that rod
Beat that boy that's on god (let's go)
I told that bitch I don't really talk hardly
When we dropped her off she ain't really say much she just said she will cal l me, yeah
Quarter pound of purp with a bag of xanax yeah that's all me (yeah)
I'm a real street nigga I want all my dough
Short me we going leave a nigga dead
I remember what they said
And it never left my head
And it never cross my mind
When I leave a nigga sled (aye leave him slump)
And these diamonds got me shining in a hellcat nigga in the dopest vest
Heard you speaking then come now I can't even know what's hap slime (I been that)

Smoking on the big pack bih got kick wasn't there (kick wasn't there, let's go)
Bitch throwing up the gang with a big flag she ain't even in (she ain't even in)
All nigga get back all where ya bitch at shooting out the Benz (shooting out the Benz)

Everybody around me they live on da edge, I ain't trusting nobody so kill me now (now)

Painting the city red for them gang members yella huma going tear fosho
My lil niggas going make it count when it's crunch time it ain't no question
them heaters go blow
If we catch a opp in traffic then it's green light you know all my demons on go
I think we got one cut the lights off windows tinted we creeping up slow
He got caught from his blind side got his headshot now that nigga ain't brea
thing no more
Used to be on the frontline standing 10 toes I was selling that d by the sto
re
I used to play the block now it's fuck the streets all the shit I have seen
it before
I been running this bag up and I'm thuggin hard baby I never needed no hoe
Straight from the slumps to the billboard
Where we die for respect what we kill for
I can tell you bout them field wars
If a nigga talk reckless we'll still blow him
50 plus shots how we ride in the raq
Shooting semis that's how we react
Couldn't be victims we had to attack
Took off on them trenches ain't no looking back

Smoking on the big pack bih got kick wasn't there (let's go)
