

Michael Corleone

YoungBoy Never Broke Again

(EarlOnTheBeat)

Haha, say

(Dun Deal on the track)

My nigga said it's Ramadan right now (Bricks, this shit finna k
ill these niggas)

Psh, I don't really love her

I'ma have to, I'ma have to ease my way into it

But look

It's recording?

Aight, bet, let 'em hear what that shit I'm finna speak about

Had to tell my girl, "I love you 'cause you do it better" (Do i
t better)

Ain't got no dealings with them niggas 'cause I know better (Ba
ow)

Masterpiece in the wealth with a cold stepper (Masterpiece)

I'm worth too much, I cannot touch 'em but my niggas stretch 'e
m

Thirty-six go by one, let my OG stretch (OG stretch)

Through the six with Jawan, movin' like the president

I got Michael Corleone tatted on my chest (On my chest)

Watching the king of New York, my son to my left (Let's go)

Beat the block up in the North, come back to the house (Yeah)

My nigga on the phone talkin' raw like that, we do not talk

I heard a nigga passin' down Missouri, heard I'm in the south

Bust this bitch and won't take off my jewelry, make him draw th
e chalk

Nene lookin' like a Muslim with a hijab on her face (Hijab)

Drop some ounces in the pot, most like it, I do twenty-eight

Hitters on top yo' car soon as we passin' through the gate

Heard a nigga want war, call the play and quickly raise the rat
e, yeah (Raise the rate)

You know how we be rockin', we don't play no games, no (No)

Hop in the Wraith, this bitch all white, this that cocaine flow
(Skrtrt)

Them niggas rappin' 'bout it, never sold a thing, though (Ain't
sell a thing)

Ain't gotta say a thing, they know who bringin' all the load

Bae, we gon' show them how to win every time that it's drought
time (Time)

Go, go higher than the wind, never stand down every time it's w
ar time

My nigga say, scream, "Allahu Akbar" when it's time for the die
(Allahu Akbar)

Scream, "Allahu Akbar" when its time for the die (Allahu Akbar)
, yeah

Say I'ma die hard when I hop out the ride (Die)

Never, I fall hard cause forever I rise
