

New New

YoungBoy Never Broke Again

I just wanna do a bitch in, behind my boy
I just wanna hit a bitch up, forgive me, Lord
They thinkin' it's the X got me off, but it's them bars
All night, I'm tryna get a bitch bust and that's on God
We will come and run 'em down on you li' niggas
Rollin' with some big pistols
Hittin' your ass until you scream like a ho
Ask 'bout YoungBoy, I am too official
Ask 'bout how I ate gorillas
Man, fuck that bro, give me another, I wan' roll

Hold on
I came in there with them beams on beams
It's on they head, these pussy niggas talkin' 'bout puttin' on
the floor
She wan' drink deuce and I wan' drink lean
But, shit, which way this finna go?
It's finna go the other way 'bout what them pussy niggas say
I say the truth that I can take but all them lies I'm tryna fac
e
Bitch, I'm a man 'fore anything
Boy, we could tear it out or bang
I stand on this, just check my line, bitch, I'm the fuckin' mur
der man
Oh, don't you change on me
All these people tellin' lies, lies
I ain't murder that boy, I ain't pull a Chanel 9
But, I can tell she know I'm lyin', lyin'

I just wanna do a bitch in, behind my boy
I just wanna hit a bitch up, forgive me, Lord
They thinkin' it's the X got me off, but it's them bars
All night, I'm tryna get a bitch bust and that's on God
We will come and run 'em down on you li' niggas
Rollin' with some big pistols (Hell, yeah)
Hittin' your ass until you scream like a ho
Ask 'bout YoungBoy, I am too official
Ask 'bout how I ate gorillas (Hell, yeah)
Man, fuck that bro, give me another, I wan' roll (Slime)
