I fell asleep smoking that doja, woke up smokin' on purple  
Pulled up on three of us 'bout five o'clock, now it's somethin' dirty (Free DDawg, free Baba)  
Getting it in I'm all around the clock, I stay in a hurry (Top Shotta, all them pussy-ass lil' boys say)  
Make 'em lay down when them sticks hit on Fairfax with a rich bitch  
(You niggas ain't stepping on nothing, nigga, I'm ready, I'm go)  
Don't play 'round with that killswitch, got drank, then I might buy that bitch

Tell baba, get a four way  
We gon' see what the smoke say  
That .44 take off his face
