

## She A Demon

### YoungBoy Never Broke Again

Look, say, look, gangsta bitch, gangsta nigga

He in love with tricks, she in love with scheming  
He a devil, don't mean shit 'cause she a fucking demon  
Hit the lot, I could show you how to pop it loud  
Learn to shoot it first, then I could show you how to take one out  
In my mansion with it, herm say, "Young bad bitches out"  
All these fucking riches, got this money laying all around  
Nigga try an pull a heist, take off all his face

Who been thinking 'bout that black man that's sitting behind th  
at K  
Younging only want to know who got 10, and then they hit with s  
pray  
SVJ, I'm taking the top off that motherfucker  
Sliding and it's gliding like it's riding Royce  
I'm a rough rider and my life tough  
Young nigga you better see what you don't see  
You feeling like, yeah, you gon' achieve, you on the block with  
green  
I'm not no pop star, live life like a rock star  
He think that fashion, but I think it's swagger  
I got my money and I ran my tags up  
I am the murder man and I am who sent something  
All black 501s, how you do that?  
Shit nigga, all I'm missing is a cowboy hat  
We got them new cutters nigga, you think you gon' fuck with us  
nigga  
Restaurant with a pistol, you gon' get bussed up little nigga  
This for BabyJoe, not much he know, he lost like Fin, he to the  
end  
But that's my twin, 'cause that's my cousin best fucking friend  
Better keep your head on top the board, they got them shots com  
ing in  
Pussy nigga tryna stand 'bout what was done to his friend  
But, fuck that, you niggas ho's, get bussed at every time I see  
you  
I'd be tired of all my friends getting smacked, I don't want to  
go through  
Ddawg hurting, got to put money on him  
If it ain't a Glock without extend then I don't want him  
Bitch, awake and on eWay I'm swerving  
Ankle bracelet or not, I see a opp I let the fye off on him

He in love with tricks, she in love with scheming  
He a devil, don't mean shit 'cause she a fucking demon  
Hit the lot, I could show you how to pop it loud

Learn to shoot it first, then I could show you how to take one  
out

In my mansion with it, herms say, "Young bad bitches out"

All these fucking riches, got this fucking money laying all aro  
und

Nigga try an pull a heist, take off all his face
