Duwan the producer

Yeah, I remember I was young

I remember we was stayin' behind the mall

I was stayin' one time, you hear me

We was standin' outside, as I looked at a nigga, I told 'em, I say

"Only thing, only thing I'm missing' out that's gon' make everything complete"

I need to stretch something (Ready for a prayer)

My niggas just looked at me, yeah

Lookin' for a fuckin' lick

Dirty ass nigga always lookin' for a fuckin' lick

Angry ass nigga always mad, it make no fuckin' sense

Savage ass nigga, always walkin' with a dirty stick

Dangerous ass nigga, all he wanna do is step on shit

Demons see my momma, tell you bitches don't let your trainer pay

He named his first son Draco, plus the child was born on 38th

It's 4KTrey, I say nobody, say right who gon' die today

You 'bout that shit, well bitch, we 'bout the same, it's gon' go down this way

You know I'm with the shits (Yeah)

You say it's up, we whoop the bitch

Knock down the whole clique

I kill 'em all, ain't got no pics

Now check the scope up, bitch, I'm four up with this murder shit

I want his brains on top the pavement right on side the bitch

He a dread-head, we leave him smoked out on some rasta shit

Leave out straight bet with them choppa, bitch

I got dead men on these dollars, bitch

You be talkin' reckless, we be steppin', make you hold that shit

'Cept with all that weapon, we gon' stretch 'em

Man, I told that bitch I grew up on some soldier shit

We outchea domin' shit

Police ask me do I wanna see a pic of how they found the bitch

I'm sorry I'm a rapper, I just talk, I just condone any of it

Soon as we get the drop, you know we cap 'em

They say we wrong for this

We gon' get your ass gone with this

Dirty ass nigga always lookin' for a fuckin' lick

Angry ass nigga always mad, it make no fuckin' sick

Savage ass nigga, always walkin' with a dirty stick

Dangerous ass nigga, all he wanna do is step on shit

Demons see my momma, tell you bitches don't let your trainer pay
