Better keep your head on in the streets  
Buss a nigga head, everybody say sad scene  
They know murder only comin' with me

I ain't crashin' like these other niggas (Ain't crashin' like these other niggas)  
I'ma get money (I'ma get money)  
I'ma keep on smokin' (I'ma keep on smokin')  
And I'ma keep gettin' loaded (Keep gettin' loaded)  
I'ma keep on pourin'

Rrah, baow-baow-baow  
While I send 'em hitters  
Rrah, baow-baow-baow
