

Take Me Slow

YoungBoy Never Broke Again

Luke what you got going on?

D-Roc

Ah yeah

Take me slow

I don't know where to go

And I ain't stay up off lean, lean, lean, lean, lean (Lean, lean, lean, lean, lean)

And ain't no telling what's gon' happen when the lights cut off (Mmm)

All this money done start to fuckin' with my head (Head)

Bought some girls that I won't come and see (Come and see)

Ones I deal with

Baby put that pussy in my hand

Promise me you ain't gon' never leave

Rich nigga, I could be your tutor, show you how to put your diamonds in sets (Diamonds)

Big ring, AP, Cartier bracelet, tennis chain throw some leaves on that (Leaves on)

Black leaf, black leaf "His shit so cheap"

You gon' fuck around, make me flood your neck (Flood yo' neck)

Two tone Patek, with a Rosary six (Rosary six)

Send that shit out to Rose Gold (Gold)

In the A', I've been run, gotta chase that check

Three new Birkins, my wife come home (My wife come-)

I want a Bentley, she want a G-Wagon

We don't do no sharing for shit (Sharing for shit)

Young nigga, young nigga

Pink strip, my lashes

Fuck 'round, try, you'll die in this bitch (You'll die)

Fuck around, cryin' out loud in this bitch (Cryin')

Anything for you to not leave

Percocets and X' I know, you hate I'm (Off codeine) off codeine (Codeine)

Got my chance, you tryin' tap out, didn't hear no ring (you don't hear no ring)

Racks and straps inside this house, you don't know my name (Nah, you don't know my name)

Bitch, I thought, stack racks, and buy a private plane (Okay), now she- (Now she-)

Bitch I'll knock your brother out, so quit that playin (Bitch I'll knock it)

I just got this bitch name tatted on my finger

This rock-star shit getting out of hand

Drugs got me going insane

She on me, never changed up, so I'll never changed on her mane

I offered her racks, and whatever, she never wanted a thing (Thing)

Lately been trippin', she got me fussin' and beefin' (She got me), with my main bitch (Yeah)

I'm a demon (Yeah)

She got me think she gettin' even (Okay, okay)

Okay, I'll go with the notice (Notice)

Bitch, I'm that thing, (I'm a-) I'm a trophy (I'm a-)

These blue face racks, they not foldin' (Foldin') (They not foldin')

They shut my track, so I donate (Go)

Out my hat, I ain't rollin' (I ain't rollin')

I jus' come outside, I fuck you, don't need addies to focus (Focus, bitch)

Takin' the top off my Aventador ('Dor)
Bitch, I ain't never quit
I been making these millions, so my kids go forward (Kids, kids)
I've been taking time out on my own, tryna maneuver slow (Tryna maneuver)
I've been taking time out on my own, startin' to sit right through it (On my
own, oh, woah) (Let's do it)

Bitch, I ain't takin' no pennies for it
Work my ass off, every day and night, it value millions (Value)
We could make it work, no chemist
I just ball-all-all (I just ball-all), 'til the next morning
I got all these bitches waiting, and niggas hatin' on me

Take me slow
I don't know (Top) where to go (And look)
And I can't stay up off lean, lean, lean, lean, lean (Lean, lean, lean, lean
) (Lean, lean, lean)
And ain't no telling what's gon' happen when the lights cut off (Cut off, of
f)
All this money done start to fuckin' with my head (Startin' to)
Bought some girls that I won't come and see (I won't see, uh)
The ones I dealt with
Baby put that pussy in my hand (Hand)
Promise me you ain't gon' never leave
