Huh, uh, uh, uh, uh, uh
Uh, uh, uh, uh, uh

I just wanna beat lil' mama, ain't talkin' violence, huh
I just wanna put my dick inside it, come on, baby
Wanna beat lil' mama, I wanna pop it
And I know she a freak and I just wanna see about it

I'm a ratchet lover, nasty motherfucker, I get jiggy
I fuck on her cousin, fuck on her, her mother, I be with it
I be her Bugatti, get on top and ride me, then I hit it
I'm gon' cum inside it, come back out, and eat it while she spittin'
I'm a freak lil' mama
Oh, I'm a problem
I just wan' lick it, then spit
I ain't usin' no condom
I wan' beat lil' mama, I ain't talkin' 'bout violence
I just wan' put this dick in your back, 'til you turn around
Get on top and pogo stick inside that bitch, ooh
Hit from the back and make it clap
I wanna see just how it move
I'm punchin' good, this shit a crime, I make the news, ooh
I got her wet
That pussy splashin'
She got a pool
I'm on time without mind, baby
I'm a real slime, baby
I be talkin' to her while I'm hittin' it, I might rhyme, baby
I'm a real Northside menace
Who am I, baby?
Shovel on my face, I'm diggin' in it when inside
Come on
Wild out, hold on, I might do a trick for you
She wan' do a split for me
Spittin' 'fore she lick on me
What she tryna get from me? I be big bummin' (Bummin')
She smokin' ganja all 'til the mornin'

I just wanna beat lil' mama, ain't talkin' violence, huh
I just wanna put my dick inside it, come on, baby
Wanna beat lil' mama, I wanna pop it
And I know she a freak and I just wanna see about it

I know you a freak, lil' mama
I give her hell, I be beatin' like some SIX12s
Neighbors better not call 12
She be screamin' "4L," push out, tell her, "Get well"
I be servin' dick like I got cocaine for to sell
Pink hair, pink nails, big dog, woof, woof
She want me come through and she gon' fuck me all in the coupe
That's your friend? Who you?

Babygirl be gettin' loose
Show the bitch I'm real livin' proof, I show her what I do
I wan' beat lil' mama, I'm gon' slide in it, then go deep, lil' mama
I got her tryna catch her wind
Give me a chance, I go to cuttin' up, I'm fucked up
Oh, I ain't know that was your girl, I done fucked her

I know I'm curious, I wanna try, baby
Oh, I'm so curious, delirious, I'm crazy (Say 10, say dick)
Am I delirious, or pressure? No maybe
And once I get in her, we might just have a baby

I just wanna beat lil' mama, ain't talkin' violence, huh
I just wanna put my dick inside it, come on, baby
Wanna beat lil' mama, I wanna pop it
