Sun is high, the sky is fadin'
I know why I'm feelin' blue
I've been thinkin' bout you, baby
And I'll be running back to you

Back to you...

Sun is high, the sky is hazy
I know why I'm feelin' blue
I've been thinkin' bout you, baby
I'll be running back to you

The Sun is high, the sky is fadin'
I know why I'm feelin' blue
And I've been thinkin' bout you, baby
Yeah, I'll be running back to you

Back to you...

Sun is high, the sky is fadin'
I know why I'm feelin' blue
I've been thinkin' bout you, baby
And I'll be running back to you
