You're my obsession

(Obsession obsession ...)

You're my obsession  
And I can't leave it alo-lone  
My obsession  
But I can't put you down

You're my obsession  
And I can't leave it alo-lone  
My obsession  
But I can't put you down (down down)

You're my obsession

(Obsession obsession ...)

My obsession

(Obsession obsession ...)

My obsession

(Obsession obsession ...)

You're my obsession  
And I can't leave it alo-lone  
My obsession  
But I can't put you down (down down)

(Obsession obsession ...)

You're my obsession

(Obsession obsession ...)

You're my obsession  
And I can't leave it alo-lone  
My obsession  
But I can't put you down (down down)  
You're my obsession
