Brother to brother  
Loving means nothing  
Without you, yeah  
Mother to mother  
Loving means nothing  
Without you, yeah  
Without you

I see it, I see it, I see the guardian in you  
I need it, I need it, I need your love, it's overdue  
I want it, I want it, I want your heart in solitude  
The water, the water

The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you

Brother to brother  
Loving means nothing  
Without you, yeah  
Mother to mother  
Loving means nothing  
Without you

Without you

The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you

Brother to brother  
Loving means nothing  
Without you, yeah  
Mother to mother  
Loving means nothing  
Without you

I see it, I see it, I see the guardian in you  
I need it, I need it, I need your love, it's overdue  
I want it, I want it, I want your heart in solitude  
The water, the water

[illegible]

The water washes over you

Brother to brother  
Loving means nothing  
Without you, yeah  
Mother to mother  
Loving means nothing  
Without you

I see it, I see it, I see the guardian in you  
I need it, I need it, I need your love, it's overdue  
I want it, I want it, I want your heart in solitude  
The water, the water

The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you  
The water washes over you

Brother to brother  
Loving means nothing  
Without you, yeah  
Mother to mother  
Loving means nothing  
Without you, yeah

Ah, that was fun
