I think I have a lot of good people around me
Things that aren't easy are always in the same place
I feel the truth that fills my heart
I became stronger and found trust in you
I learned the value of dreams

A confident heart
An unchanging stance
I received a big light
A life with no despair
A life that won't imprison you
That is your happiness

To be a light
Is to stay standing
Closely

I was so lucky to meet you
Now I'm living through you
I feel the happiness that fills my heart
Always like new
If I fulfill my unfulfilled dreams
That will be a different me

A confident heart
An unchanging stance
I received a big light
A life with no despair
A life that won't imprison you
That is your happiness

A confident heart
An unchanging stance
I received a big light

You are strong as you feel this big world upon you
