We gon' make we gon' make it (make it)
We gon' make we gon' make it
Ay we gon' make we gon' make it
We gon' make we gon' make it
(We gon' make we gon' make it)

Woo We gon' make we gon' make it
We gon' make we gon' make it
We gon' make we gon' make it

It's comin' now comin' now now (now)
So I don't want you to stop now
Let's do it right do it right right (right right)
It's about it's about time

We're goin' up (ay)
We gon' make we gon' make it
We gon' make we gon' make it
Ay we gon' make we gon' make it
We gon' make we gon' make it
We gon' make we gon' make it

I know it, sometimes it feels nervous even before taking off
Yeah, nobody's perfect, you know it
Self-esteem goes up and down always
It doesn't matter, just leave it
Everything is gonna be alright
We're already good enough, you and me
Don't worry about it (Now)
Even moments of hesitation are dazzling
Put up the slogan, carpe diem
We're at ninety-nine, almost there, at boiling point
We're simply running towards the blowing present
It's time to dive, yeah

Beyond where
Infinite imagination awaits (Woah)
In every moment between beginning to end
Fill everything up, real me

We're goin' up (Ayy)
Fly ahead towards a bright future (Ayy)
Through the showering question marks
We gon' make, we gon' make it (Make it)
Enjoy the beautiful chaos like that (Woo)
Ayy, we gon' make, we gon' make it
Just as it is now, like that

Like that
Yeah

Slowly, just take your time
Immerse yourself in every moment
It'll be complete soon
Don't rush, focus on your state of mind
I got too many problems, even so, hold the mic
Even if something stops me, I keep going up, yeah, you feeling like
I do my best, whatever it may be
I'll be creating something new, we're the maker

Beyond where the moment (Woah)

I dreamed of is waiting
In every moment between beginning to end
Fill everything up, real me

We're goin' up (Ayy)
Fly ahead towards a bright future (Ayy)
Through the showering question marks
We gon' make, we gon' make it (Make it)
Enjoy the beautiful chaos like that (Woo)
Ayy, we gon' make, we gon' make it
Just as it is now, like that

Just as it is now, like that

Ooh
Tinged with splendor
Our climax
In the climax to come ahead, pour everything out

It's comin' now, comin' now, now (Now)
So I don't want you to stop now (Ooh)
Let's do it right do it right, right (Right, right)
It's about it's about time

We're goin' up (Ayy)
Fly ahead towards a bright future (Ayy; Ooh)
Through the showering question marks
We gon' make, we gon' make it (Make it)
Enjoy the beautiful chaos like that (Woo)
Ayy, we gon' make, we gon' make it
Just as it is now, like that

Like that
