Mm, mm
Mm, mm (Oh)
This is it, so fly
Aviator (Ooh)
Woah, yeah, classic

Stop messed up
Going high we take off here
I'm the pilot
This is ain't no plane
Still tight, go on
Fasten up your seatbelt
For us, there's no landing
Right this timing
I don't have no mercy
I can hear it all, please stop talkin'
Change the destination to there, again, swervin'
Ayy, you want me?
Get busy and keep movin'
Here and there, surfin'

Woken dream
Drawn for so long
Stopping me stopping me
With this full gauge
Ain't no stopping now
Nothing's on my way
Adrenaline is taking over me
I'ma fly, like it, that

Aviator
Let's go high (Bam, bam, bam, bam)
Elevator
Just hop on it
(I wanna fly yeah) My heart is fierce
(I don't stop yeah) Pain's getting closer, closer
Aviator
Start it up, we comin' up, it's over
Start it up we comin' up, it's over

Mm, mm
Mm, mm

Flip it and reverse it
Let it out slowly
Radar warning
We're going way up
Twist and change the reality
Expand to the infinite my ability

Don't doubt me
We build faith and then
Yeah we take it to the next level, break the paradigm

Can't lose this game (no way)
Your eyes are
Stalking me stalking me
Woken up by gauge
Ain't no stopping now
Nothing's on our way
Adrenaline is taking over me
I'ma fly, like it, that

Aviator
Let's go high (Bam, bam, bam, bam)
Elevator
Just hop on it
(I wanna fly yeah) My heart is fierce
(I don't stop yeah) Pain's getting closer, closer
Aviator
Start it up, we comin' up, it's over
Start it up we comin' up, it's over

We're beautiful now
We're creating
Our universe
We're beautiful now
I've been always waiting
Get ready to fly, folks blow up
Run, never looking back everyday
Unleash myself in everyway
Like this, let's get high and fly away
Watch me
I'ma fly, like it, that

Aviator
Let's go high (Bam, bam, bam, bam)
Elevator
Just hop on it
(I wanna fly yeah) My heart is fierce
(I don't stop yeah) Pain's getting closer, closer
