I'm sorry, we are bad, we're a little dangerous
I'm sorry, we are bad, we're a little dangerous
I'm sorry, we are bad, we're a little dangerous
I'm sorry, we are bad, we're a little danger

Yeah, I don't wanna waste my time
Just jump, right over the hurdle
Booby trap, strap me down here
Why is it that you don't get caught, huh?
You're the first one to bounce my bullet
Looking at you going past me, burn it
Check my outfit
Black rider jacket suit on me
There's no going back, charge ahead
Like an eight-ton truck with a broken handle, I charge in
Oh, it's so fun, a provocative target
I'm gonna shoot hundred points into your heart

You can never do this, that's refusing me
It's L-O-V-E, a DNA-like thing
You gonna be coming to me
Right up your alley, my bullet
It might sting a little, girl
My gun is lock and loaded

You'll fall in love with me
Say, I love you, say, I want you, say, I love you (Say)
You'll fall for me
Say, I love you, say, I want you, say, I love you, say, I want you
So bad, bad (I'm a pretty bad guy)
So bad, bad (If you don't like that, run)
So bad, bad (The moment you caught my eyes)
I'm a bad cupid, I mess around with you like this

What is love? Tell me
To me, it's lightly playing
The heart moves away easy
So, I hate this love
Beyond my blinded eyes
Is a sincere heart really there
Find the light in me

You can never do this, that's refusing me
It's L-O-V-E, a DNA-like thing
You gonna be coming to me
Right up your alley, my bullet
It might sting a little, girl
My gun is lock and loaded

Say, I love you, say, I want you, say, I love you (Say)

So bad, bad (I'm a pretty bad guy)
So bad, bad (If you don't like that, run)
So bad, bad (The moment you caught my eyes)
I'm a bad cupid, I mess around with you like this

This flower or pink love letter that I gave you
It was all calculated under my plan
Tonight, deep in your dreams, I'll come visit and tell you
You, I love you too
(Can you be my love?) I'm sorry it's impossible
(Can you stay with me?) I'm sorry, girl, I'm busy now
I can't fall in love, I can't believe it, we can't be a couple, sorry, baby
Seeing this harsh side of mine

You fall for me again

Baddest
As if I'm toying take it
Love is simply playin'
After stealing your heart, again, lock and loaded
