You got me now
Replay, replay
You sneaked in before I knew it
Don't change not mine
Right now, my heart is already not mine

Oh, please don't move
My senses are getting sharp
You're invisible
But I can feel you getting closer
Everything is hidden in time
Tension is getting high
Admit and lose in this game
Over the heartbeat quickening like a scream
Knock, knock

Getting clear over time (Oh-oh)
Nervous breaths
And I find you in it (Ah-ah)
Like the bright light in darkness
As it spreads out little by little

Who, who
Yeah, yeah, yeah, yeah
Come like you'll devour me (Burn)
Replay, play, play
Show yourself right now (Show right now)
Replay, play, play
'Cause I feel you in the air
Wait wait
It echoes silently
And my heart reacts, swish

(Oh, God) You're a masterpiece of God
(Oh, wow) Ride and ride on the low vibe
(Ola) Loading infinitely in my head, go stop
(Go) Checkmate, I've already given up and lay back
I've said this over and over again
You and I are criminal
Like a Bonnie and Clyde
Crazy, messed up chemical
Everyone puts hands up
Danger like it's critical
Brand new everything
Babe what you need

Oh, me and you
Close enough to touch
It's strangling me
I know this is out of control
Subtly streaming in and shine
Shaking me up to the core
I can do nothing but lose this game
In a fleeting moment, you're getting bigger

It gets dangerous the more I struggle
All day, I'm showered
Endlessly by your existence
Whispers in the silence gets louder
As it wakens my senses

Who, who
Yeah, yeah, yeah, yeah
Come like you'll devour me (Burn)
Replay, play, play
Show yourself right now (Show right now)
Replay, play, play
'Cause I feel you in the air

Feel you, the clear outline
You are there in my eyes baby
Hope this lasts for eternity

Ha-ha, yeah
Y-O-UNITE
We can fly high, weah, we fly high (One more time, say)
We can fly high, yeah, we fly high
I can't find you
What is the truth?
I need more, I'm in a loop
You know, what I looking for
Find Lupin caught my eyes
Again, boom-boom, pow
Come back to me, hook (Oh)

Who, who
Yeah, yeah, yeah, yeah
