Your Broken Hero

I found the CD you made me when we
Skipped town to Colorado it was
Just me and you
We listened to blink-182
I thought the other day that I would be okay
But now I know I'm not

If I spill my heart and said
The things I meant to them, even though it's too late
Just to get it off my chest, I wrote this song for you
Just to remind us
Of blink-182
Blink-182

Now I know we were just kids back then
When you told
Me to tell you when I miss you
Just like blink-182
I thought the other day that I would be okay
But now I know I'm not
This song is meant to say
That you've been on my mind
I miss you all the time
I wish I told you why

If I spill my heart and said
The things I meant to them, even though it's too late
Just to get it off my chest, I wrote this song for you
Just to remind us
Of blink-182

I found the letter you gave when I
Moved down to California, it was
Just me, a box full of old memories
