

# GRL LIKE U

Your Broken Hero

Like a lit cigarette that we shared in the nighttime  
All the things that I felt, burning red on the inside

(Just friends)

I don't wanna be friends  
I wanna be something more, or I'd rather be dead

(If I can't have you)

There'll be a hole in my heart  
I die inside every time we're apart

Tell me all the things that I need to do  
To get down with a girl like you  
Every little thing that I try to do  
I quarterback throw deeper in the friend zone  
Forget our history, let's try, just you and me  
So tell me all the things that I need to do  
To get down with a girl like you (g-g-g-girl like you)

All the games (all the games) that I played (that I played)  
When you said (when you said) that you liked him  
And I kissed (and I kissed) someone else (someone else)  
Just to get (just to get) your attention

(Just friends)

I don't wanna be friends  
I wanna be something more, or I'd rather be dead

(If I can't have you)

There'll be a hole in my heart  
I die inside every time we're apart

Tell me all the things that I need to do  
To get down with a girl like you  
Every little thing that I try to do  
I quarterback throw deeper in the friend zone  
Forget our history, let's try, just you and me

To get down with a girl like you (g-g-g-girl like-)
