

## Christina

Your Smith

Don't you throw out the baby with the bath water  
Don't you cut the rope, Christina  
You're too fuckin' young to give up now  
But I could see why letting go feels like an achievement

I don't mean to be morose when I say  
Who are you letting go for, hmm  
Who are you letting go for, yeah  
(Hmm)

If you could use someone  
Then I could be someone

It ain't against the law to buy a boat, ya know  
It happens every day, Christina  
You could throw a lot out in the ocean  
With no one ever knowin' I'm just sayin'  
So take it or leave it, I can keep a secret  
Even drive the boat home (ooh)

If you could use someone  
Then I could be someone
