

## Down the Line

Your Smith

I saw you coming alive all of a sudden  
Must've been something she said  
I'm done pushing a stone up a mountain  
While you slide down  
While you slide on down

I keep digging it out 'til there's nothing  
Not even nothing, you know?

Don't worry about me, baby  
I'll be alright  
I'll see you somewhere down the line  
(Don't worry, don't worry)

I saw you coming alive breaking out  
All of your love songs OK  
Making a show of it all in the moment  
While I go down  
While I slide on down  
I keep hanging around 'til there's nothing  
Not even nothing, you know?

Don't worry about me, baby  
I'll be alright  
I'll see you somewhere down the line  
(Don't worry, don't worry)

Don't worry about me, baby  
I'll be just fine  
I'll see you somewhere down the line  
I'll see ya

Don't worry about me, baby  
I'll be alright  
I'll see you somewhere down the line

Don't worry about me, baby  
I'll be just fine  
I'll see you somewhere down the line  
(Don't worry, don't worry)  
I said, I'll see you somewhere down the line  
(Don't worry, don't worry)  
I'll see you somewhere down the line  
(Don't worry, don't worry)  
(Don't worry, don't worry)
