

# Ooh Wee

Your Smith

I waste all my time on you  
Your necklace swings in the view  
Now I want to buy one too  
I ask you to help me out  
Even when I, I know how  
To do what I asked of you

If only  
Being honest  
The thought of you is swimming back and forth in my head  
'Cause you're always  
What I wanted  
I wonder if you'll ever find your way to my bed

Tell me if there's something  
Tell me if there's something you need  
(Ooh wee, ooh wee)  
Tell me if you're hungry  
Milkshake with some eggs and bacon, baby  
(Ooh wee, ooh wee)  
Let me show, let me show, let me know  
Let me show you just how much I can do, ooh wee  
(Ooh wee, ooh wee)  
Tell me if there's something  
Explain it to me, whatever you need  
(Ooh wee, ooh wee)

I sit on a step below  
But I keep enough room for you  
In case you come along  
When I laugh I touch your arm  
I read that that helps a lot  
With showing you what I want

Tell me if there's something  
Tell me if there's something you need  
(Ooh wee, ooh wee)  
Tell me if you're hungry  
Milkshake with some eggs and bacon, baby  
(Ooh wee, ooh wee)  
Let me show, let me show, let me know  
Let me show you just how much I can do, ooh wee  
(Ooh wee, ooh wee)  
Tell me if there's something  
Explain it to me, whatever you need  
(Ooh wee, ooh wee)

Do, do, give it to me, ooh wee  
Do, give it, do, give it, do wee  
Do, give it give it to me, ooh wee  
Do, give it give it, ooh wee

You shook something loose  
Somewhere inside of me  
Like ooh wee  
Lik ooh wee

I'm speaking the truth  
You always get to me  
Like ooh wee  
Like ooh wee

Tell me if there's something  
Tell me if there's something you need  
(Ooh wee, ooh wee)  
Tell me if you're hungry  
Milkshake with some eggs and bacon, baby  
(Ooh wee, ooh wee)  
Let me show, let me show, let me know  
Let me show you just how much I can do, ooh wee  
(Ooh wee, ooh wee)  
Tell me if there's something  
Explain it to me, whatever you need  
(Ooh wee, ooh wee)
