

## Smooth Talker

Your Smith

Sounds like some typical bullshit, honey  
That you're spinning like your favorite song  
(Again and again)  
Talk, talk, talk, just admit it, honey  
How much longer do I have to play dumb?

Make my dreams come true, smooth talker (smooth talker)  
I'm all ears for you, smooth talker (smooth talker)

Hey there big guy  
You look like you might need a ride to a corporate bar  
Now I'm seeing a full-grown Libra  
Messing with all my radio knobs  
Can't believe how you got past me  
The way you leave but you don't really go  
Now I'm seeing a full-blown Libra kinda guy  
With a company phone

Sounds like some typical bullshit, honey  
That you're spinning like your favorite song  
(Again and again)  
Talk, talk, talk, just admit it, honey  
How much longer do I have to play dumb?

Man you're really something, yeah you are  
You really did your research, raised the bar  
Funny fuzzy briefcase in your car  
You wish that you were different but you aren't

Big boy dreams come true, smooth talker (smooth talker)  
I'm all ears for you, smooth talker (smooth talker)

Sounds like some typical  
Typical bullshit, bullshit honey  
And you talk, talk, talk, talk (talk)  
Do I have to play dumb  
Sounds like some typical  
Typical bullshit, bullshit honey  
And you talk, talk, talk, talk (talk)  
Do I have to play dumb

It's a Palm Pilot  
In a Cadillac  
Is a Jos A. Bank?  
Who sold their shares today?  
It's a necktie  
Is that depression?  
No it's Burberry  
You can say that again

Sounds like some typical bullshit, honey  
That you're spinning like your favorite song  
You talk, talk, talk, just admit it, honey  
How much longer do I have to play dumb?

Sounds like some typical  
Typical bullshit, bullshit honey

And you talk, talk, talk, talk (talk)  
Do I have to play dumb

Sounds like some typical bullshit, honey  
(Smooth talker, smooth talker)  
That you're spinning like your favorite song  
Talk, talk, talk, just admit it, honey  
(Smooth talker, smooth talker)  
How much longer do I have to play dumb?

(Talk, talk, talk, talk, talk)
