

# Circles

**Yours Truly**

So let me know if you're hearing this  
Don't cut me off  
Don't call me miss  
Don't blame it on your design  
No need to patronize  
The way you act ain't right  
And I'm over it  
Yeah frankly I'm just sick of it  
What makes me different to you?  
I got nothing to lose  
And everything to prove

Oh, I fail to see these so called changes  
(And don't say that we gotta get over it)  
You need to stop and just let it go

What's inside your head?  
Can you explain it?  
We just go in circles  
We just go in circles  
Don't say you're mislead  
You knew it, you messed up  
We just go in circles  
We just go in circles

Let me assure you I'm serious  
Don't think you should get used to this  
Not gonna listen when you  
Pretend to compromise  
When they way you act ain't right  
And I'm over it  
Just seems a little ridiculous  
We're all apart of the fight  
Haven't you heard the news?  
It's time to change your views

Oh give me faith in how you're changing  
(And don't say that we gotta get over it)  
You need to stop and just let it go

What's inside your head?  
Can you explain it?  
We just go in circles  
We just go in circles  
Don't say you're mislead  
You knew it, you messed up  
We just go in circles  
We just go in circles

(And don't say that we gotta get over it)  
(And don't say that we gotta get over it)

What's inside your head?  
Can you explain it?  
We just go in circles  
We just go in circles  
Don't say you're mislead

You knew it, you messed up  
We just go in circles  
We just go in circles
