

Paralysed

Yours Truly

If it'll be your eyes
Seeing through the lies
You'll lose more than just a friend
I never said forever but I'll rather pretend

I'm gonna break all the rules
I got nothing to prove
I'm gonna fall to feel again
I'll be better off in time, but for now

I'm paralysed, call the doctor
Tell them all I hear is a flat line
Oh it feels my heart being torn apart
I'm paralysed tonight

Looks like you've had your fun and now I'm gone
Shattered glass we've come undone
I know we said forever
But now we've become

Another thing to forget
There's no gravity left
I'm gonna fall to feel again
I'll be better off in time, but for now

I'm paralysed, call the doctor
Tell them all I hear is a flat line
Oh it feels my heart being torn apart
I'm paralysed but trust me I'll survive
I'm paralysed tonight

Whoa oh tonight
Whoa oh tonight
Whoa oh tonight
Whoa oh tonight

I'm wide awake
It's more than I can take
Trying to escape
But there no way out
But there's no one left to blame
Nothing left to say
Oh I'm just flying back out

I'm paralysed, call a doctor
Tell them all I hear is a flat line

I'm paralysed, call the doctor
Tell them all I hear is a flat line
Oh it feels my heart being torn apart
I'm paralysed but trust me I'll survive
I'm paralysed tonight

Whoa oh tonight
Whoa oh tonight
Whoa oh tonight

I'm paralysed but trust me I'll survive
I'm paralysed tonight
