

# Love

Youth Alive

[Verse 1]

The moment You stepped out of Heaven  
Into the world we live  
You came and You paid for our freedom  
No longer a slave in sin  
For You now my life begins

[Pre-Chorus]

Keep me right where You are  
I will follow after You  
When I fall, lift me high  
Never losing sight of You

[Chorus]

I found love (Oh oh woah)  
I found love (Oh oh woah)  
I was lost without a doubt  
'Til I found love (Oh oh woah)  
You are love

[Interlude]

[Verse 2]

It's crazy no matter the season  
Your love it remains the same  
Forever I'll follow You Jesus  
Was lost now I'm found in grace  
In You now my life remains

[Pre-Chorus]

Keep me right where You are  
I will follow after You  
When I fall, lift me high  
Never losing sight of You

[Chorus]

I found love (Oh oh woah)  
I found love (Oh oh woah)  
I was lost without a doubt  
'Til I found love (Oh oh woah)  
You are love

[Interlude]

[Bridge]

Keep me right where You are  
I will follow after You  
When I fall, lift me high  
Never losing sight of You  
'Cause I found love

[Interlude]

[Chorus]

'Cause I found love (Oh oh woah)  
I found love (Oh oh woah)  
I was lost without a doubt

'Til I found love (Oh oh woah)  
You are love  
You are love
