

Punk Rock Mom

Youth Brigade

When i was young and not so wise i used to hang around with all
the crazy guys so i was a wild punk rock girl now that i'm old
er ill never settle down i wanna be a punk rock mom i'm tired o
f this selfishness sick of all the games i want someone to love
me for why and who i am need someone to love me unconditionall
y baby's having baby's is a problem all i ever wanted is to be
someone i know i'll be happy with a daughter or a son not much
is better than being a mother and have let yours know that you
love her did you ever think about what you would do without the
mother that birthed and cared for you
