

Glory And Honor

Youthful Praise

Glory and honor is due him [repeat]
He's the source of strength for me
Healer of all disease
I run to him and I am saved
He's so worthy of praise (2x)

Lord we love you
We adore you
Worship and bow before you
All the glory
All the praise
It is due your name
Lift your hands
Lift your voice
We will sing
And rejoice
All the glory
And the praise
It is due your name
YES (4x)
All the Glory
All the praise
It is due your name
