

You Can Make It

Youthful Praise

Oh, oh, oh, oh, o-o-o-o-o-oh x2
You can make it, you can take it.
Christ will strengthen you, you can make it through.
Be encouraged, don't you give up.
You can go all the way
We all have struggled with the trials of life
Daily we have to fight for the cause of Christ
God knows everything we are going through
Keep pressing towards the mark
He will strengthen you.

You can make it, you can take it,
Christ will strengthen you, you can make it through.
Be encouraged, don't you give up,
You can go all the way.
- Ad lib
Press on, be strong
God will, deliver
It won't be long.
God told me to tell you, you can't give up now.
You can go all the way.

You can make it, you can take it.
Greater is he that is in you

You can make it.

Yeah!
You can go all the way
