

# Dirty Love

Y&T

In the nightttime, the moon is rising  
I'll be hanging around your door  
In the moonlight, you'll hear me howling  
I'll be coming back for more

When the wolf cries you can feel the hunger  
Like I'm hungry for you  
Little hot child, feeling kind of nasty  
You know I'm waiting for you

Bad moon rising  
Tell me, pretty baby, do you want some?  
Feeling real nasty  
Come on, pretty baby, do you want some?

I'm talking dirty love  
Dirty love  
I need your dirty love  
Dirty love

In the nightttime, the moon is rising  
I'll be hanging around your door  
In the moonlight, you'll hear me howling  
I'll be coming back for more

When the wolf cries you can feel the hunger  
Like I'm hungry for you  
Little hot child, feeling kind of nasty  
You know I'm waiting for you

Bad moon rising  
Tell me, pretty baby, do you want some?  
Feeling real nasty  
Come on, pretty baby, do you want some?

I'm talking dirty love  
Dirty love  
When the bad moon's rising  
Know I got to have your dirty love  
Talking dirty love  
Dirty love  
I need your dirty love  
Don't you feel the hunger?  
Know I got to, got to have your dirty love

Feeling really nasty  
Come on, pretty baby, do you want some?  
Coming on fast  
Now tell me, pretty baby, do you want some?

I'm talking dirty love  
Dirty love  
When the bad moon's rising  
Know I got to have your dirty love  
Talking dirty love  
Dirty love  
I want your dirty love

Don't you feel the hunger?  
Know I got to, got to have your dirty love

Dirty love  
Got to have your dirty love
