

Eyes Of A Stranger

Y&T

I've been wait'n girl to get you alone
And slip into your sexual zone
For so long we've been only friends
For so long had to just pretend

But this is the time
This is the place
This could be our magic moment

So give me your love
Give me your touch
And look in the eyes of a stranger

Come to the eyes
Eyes of a stranger
Come to the eyes
The eyes of a stranger

Your body is so hot in my hands
Gonna do it to ya - slide it in
I'll show you every inch I'm a man
Then I'll get it up and do it again

This is the time
This is the place
This is what dreams should be made of

So give me your love
Give me your touch
And look in the eyes of a stranger

Come to the eyes
The eyes of a stranger
Look in the eyes
Eyes of a stranger

I need you right now

This is the time
This is the place
This is what dreams should be made of

So give me your love
Give me your touch
And look in the eyes of a stranger

Come to the eyes
The eyes of a stranger
Come to the eyes
The eyes of a stranger

Oh baby, I want you right now
I need you right now
Eyes of a stranger
Oh, I'm gonna do it to ya
I'm gonna do it to ya baby
Eyes of a stranger

You look so good
You look so sweet right now
Right now
Eyes of a stranger
Give it up
